Art. 10 TIMING SERVICE AND CHIP

Paragraph 1. The timing service will be provided by **MySDAM** with **single-use chip technology**.

Paragraph 2. Other **personal chips** are not allowed.

Paragraph 3. The single-use chip including instructions for use will be delivered in the technical envelope, and must be placed on the front wheel or front fork of the bike.

Paragraph 4. The participants who will avoid the time-taking and/or to ride along just one of the four timed stretches provided along the race, will not appear in the final rankings.

Paragraph 5. No **deposit** is required for the use of the single-use chip.

Art. 11 RANKINGS AND AWARD CEREMONIES

Paragraph 1. The **INDIVIDUAL CATEGORY RANKING** will be drawn up in **alphabetic order** based on the sum of the set **Real Time timings, exclusively** in the four uphill timed stretches provided and marked along the race course.

However, it will be possible to visualize also the time spent for each single climbing in addition to the timing of the whole race with category and absolute position, in all cases not worth for the rankings. All the participants included in the following section will be part of the rankings, referred to the categories of ACSI Ciclismo:

Junior	from 18-29 years old
Senior 1	from 30-34 years old
Senior 2	from 35-39 years old
Veterans 1	from 40-44 years old
Veterans 2	from 45-49 years old
Gentleman 1	from 50-54 years old
Gentleman 2	from 55-59 years old
Super Gentleman 1	from 60-64 years old
Super Gentleman 2	from 65-75 years old
Women 1	from 18-39 years old
New Women 2	from 40-59 years old
New Women 3	from 60-75 years old

Paragraph 2. The **firsts classified of each category** will be awarded at the same time according to the sum of the times established in **Real Time, exclusively in the three timed uphill stretches** provided and marked along the race course.

Participants with pedal-assisted bikes will not be included in the individual category ranking, in the 4.10 ranking and in the Fun Team ranking; they can instead compete exclusively for team ranking.

Paragraph 3. The **TEAM RANKING** awards the team composed without distinction of men and women, card-carrying members of the **same team**, with the highest number of participants (**minimum number: 10**), which will ride across the finishing line **within 30 seconds** between the first and the last of its own enrolled members, within the **maximum time of 4 hours and 45 minutes** from the start. This team will receive the **trophy** as winner of Team Ranking and a supply of **66 bottles** of Prosecco Conegliano Valdobbiadene Prosecco Superiore Docg. The next four teams will receive, in the order, **60, 54, 42 and 30 bottles**, to be collected in the way referred to in paragraph 10 below.

Paragraph 4. In the case of teams that set the same number of competitors **within 30 seconds**, the team with the shortest time on the entire race course will prevail.

REGULATION 2021

Organizing association: Prosecco Cycling - Limited Liability Sporting Amateurish Association

Paragraph 5. New The 4.10 RANKING awards the group composed without distinction of men and women, card-carrying members of the **same team**, which will record the **worst result** in the average of the three timed climbs. This average will be calculated by adding the averages of the three timed climbs achieved by the **10** members of each team who achieved the worst result. This group will receive the original **black shirt** as winner of the **4.10 Ranking** and a supply of **48** bottles of Conegliano Valdobbiadene Prosecco Superiore Docg. The next four teams will receive, in the order, **36, 24, 12** and **6 bottles**, to be collected in the way referred to in paragraph 10 below.

Paragraph 6. The FUN TEAM RANKING awards the group composed without distinction of men and women and **card-carrying with the same team**, who will make the **best time on the entire race course (km 100,4)**. The group must be composed of a minimum number of **5 participants**, who must pass on arrival within **30 minutes** between **the first and fifth** of their members. This group will receive the **trophy** as the winning team of **FUN TEAM RANKING** and a supply of **48 bottles** of Conegliano Valdobbiadene Prosecco Superiore Docg. The next four teams will receive, in order, **36, 24, 12** and **6 bottles**, to be collected in the way referred to in paragraph 10 below.

Paragraph 7. The ranking (Teams, 4.10 and Fun Team) does not preclude the possibility for each individual athlete to also compete for the individual category ranking.

Paragraph 8. Each team registered to Prosecco Cycling may choose to take part in **all the rankings** (Teams, 4.10 and Fun Team) while always respecting the minimum number of participants as required by each ranking.

Paragraph 9. The Individual ranking will be shown only with the first of each category, while the Team ranking, 4.10 and Fun Team, only with the first five teams. The Individual Category Ranking, the 4.10 Ranking and the Fun Team Ranking will be shown at **1:30 pm** at Piazza G. Marconi, where the relative awards will subsequently take place. The complete rankings will also be available online on the Prosecco Cycling website from **5:00 pm**. The Individual Category Ranking will be complete even with the time recorded by the participants in each individual climb and on the entire race course, with the category and absolute position, but not for the purposes of the ranking.

Paragraph 10. The supply of Conegliano Valdobbiadene Prosecco Superiore Docg may be withdrawn **only** on the day of the race no later than **5:00 pm** at Villa dei Cedri in Via Piva in Valdobbiadene, with the obligation to provide the appropriate document certifying the winning and delivered by the organizer to the secretary office located at Piazza G. Marconi in Valdobbiadene.

Paragraph 11. A special prize will be awarded to the foreign competitor coming from farther away, for having participated in Prosecco Cycling 2021.

Paragraph 12. In case of more competitors coming from the same country the prize will be given to the oldest one or to a woman, if they are the same age.

Paragraph 13. The organizer reserves the right not to deliver the prizes to third parties and/or not to send them at home; believing that they must be delivered exclusively **on the day of the race** in the established ways and at the established times.

Art. 12 ROAD CODE AND FURTHER BEHAVIOUR RULES

Paragraph 1. The vehicular traffic during the event is temporarily suspended for **1 hour**, between the start-of-race and end-of-race car. The participants must however proceed with extreme caution observing the necessary precautions, since, without the knowledge of the organization and/or for events unrelated to the event and/or for unpredictable situations caused by third parties for the non-compliance with the provisions in force, or for the disinformation of road users, risks may arise for the safety of the participants even during the suspension of vehicular traffic between the start-of-race and end-of-race car. In such cases, the organizer considers himself exempted from any liability.

Paragraph 2. The competitors that will be overtaken by the end-of-race car will have to carry on out of the competition under their own responsibility, according to the rules of the rode code.

Paragraph 3. It is compulsory to keep the number on the bike until the end of the event.

Paragraph 4. It is compulsory to wear the homologated protective helmet.

Paragraph 5. For what is not contemplated in the present Regulation, it is compulsory to refer to the Regulation of ACSI Ciclismo, concerning the amateurish cycling activity, touring bike and sporting bike activity, and it must be observed by each single participant.

Paragraph 6. Participants will also be required to respect the state of the places and not to throw garbage along the roads, having to put them in the appropriate containers at the refreshment stations. Competitors who do not respect the state of the places and/or throw garbage outside the marked areas and/or who do not behave correctly and/or civilly during the event will be immediately disqualified.

Paragraph 7. In order to ensure the best outcome of the event, assistance from private vehicles (scooters, motorcycles, cars, etc.), including mechanical assistance (already provided by the organizer) following the race or simply at the

REGULATION 2021

Organizing association: Prosecco Cycling - Limited Liability Sporting Amateurish Association

roadside, is prohibited; the expected consequence will be the immediate exclusion of the participant and the non-authorized persons from the competition.

Paragraph 8. Specific motor vehicles are provided for the recovery of the participants and for their transport to the finishing point for anyone who, for any kind of reason, would not be able to terminate the provided race route.

Art. 13 HEALTH SERVICE

Paragraph 1. The health service is provided after the competition at fixed locations indicated along the race route.

Paragraph 2. The PMA (Advanced Medical Post) will be arranged at Piazza G. Marconi, in the rear part of the Cathedral, in Valdobbiadene.

Paragraph 3. In any case the organizer is not responsible for any intervention and/or decision taken by the health service staff.

Art. 14 MECHANICAL SERVICE

Paragraph 1. The mechanical service is provided after the race and in fixed positions, which are marked along the race route.

Paragraph 2. Any spare parts are to be paid, except for the wheels. In the event that replacements are made with spare parts, personal data of participants will be requested and their race number will be reported. After the arrival at the finishing participants must go to the secretary office located at Piazza G. Marconi in Valdobbiadene to pay the spare parts receipt and/or return the replaced wheels. In case of puncturing the inner tubes will be provided **for free** by the organizer.

Paragraph 3. In any case the organizer is not responsible for any intervention and/or decision taken by the mechanical service staff.

Art. 15 SHOWERS AND TOILETS

Paragraph 1. Showers and toilets are available on **Sunday 3 October** from **11:30 am** to **4:00 pm**, at the municipal swimming pools in Via Kolbe n. 8 in Valdobbiadene.

Art. 16 CANCELLATION OF THE COMPETITION

Paragraph 1. In case of circumstances due to force majeure, such as for natural disasters, strikes, riots or in case of suspension and/or cancellation of the event issued by the race director and/or by the authorities in charge, the competition may be cancelled.

Paragraph 2. In all the aforesaid circumstances, the organizer **will not reimburse** any fee, but it will undertake to keep a part of the admission fee valid for the **2022** edition.

Art. 17 COMPLAINTS

Paragraph 1. Any complaints must be submitted in writing by the participant and/or by the President or delegate of the Sports Club and/or Sports Association to the competition jury located at the secretariat offices at Piazza G. Marconi in Valdobbiadene, under penalty of revocation, within the maximum time of thirty minutes from the arrival of the last competitor, upon payment of the fee prescribed by ACSI Ciclismo.

Paragraph 2. In case of justified complaint the whole paid amount will be refunded.

Art. 18 WEBSITE - PUBLICATION OF THE REGULATION AND CONTACT DETAILS

Paragraph 1. The website is the official information instrument of the event.

Paragraph 2. The regulation is officially filed and registered at the Municipality of Valdobbiadene, Sport Office.
